

Attention Residents

I would like to take a moment to introduce Michal Plochan. Michal is with Southwestern Advantage and is working in our community selling educational products for kids. He took the time to introduce himself to the city staff this morning. We have issued a peddler's permit to Michal Plochan, a college student from the Country of Slovakia; he does have an accent. Mr. Plochan has been to several cities in the States and will be in the LaPrairie and Coleraine communities in the next few weeks. At the end of summer, he heads back to Slovakia to attend college.

He is driving a “Kia Soul with MN plates of DFY 031.”

While this is not an endorsement of the products he is selling, we want to take a moment to introduce him and let our community know that he will be working in our neighborhoods.

We appreciate that he took the time to introduce himself and keep us informed that he is working door to door in Coleraine.
