Subject: face coverings/mask wearing
Importance: High

Good afternoon,

I have received communication from Coleraine residents concerned about mask wearing and what I put in the Clerk's Report regarding it. I simply copied it from the last report as a friendly reminder and did not review its content and it may be misleading.

For everyone's safety, please make sure you wear a face covering at all times while in City Hall. Though the exceptions for government meetings could be interpreted either way, ***Attorney Dimich's suggestion is that your mask remain on and that you temporarily remove it when you speak or when you take a sip of your beverage.***

Thank you for your cooperation in maintaining a safe environment for all.

Briana
