OCTOBER 2020

INCIDENT REPORTS FOR THE MONTH-----93

STATE FINE MONIES COLLECTED -----\$138.30

There was a total of 93 calls for service in the Coleraine Corporate Limits.

We have been borrowing our squad to Bovey PD due to some engine troubles with theirs. On Sunday night a deer ran out in front of Bovey Officer Sam Hussman ultimately resulting in some damage to the front end of our squad. Bovey has agreed to pay the deductible for the repairs. Our new squad should be in with in the next few weeks and we will get it outfitted and graphics put on and then have it in service.

Over the Halloween weekend Officers handled 33 calls in Bovey and Coleraine with numerous assault type calls. Not a lot of kids out trick or treating, but enough. All of the assault calls were adult related, no kids.

If you have any questions or concerns, please contact me.

Thank you,

Lonnie Mjolsness
